COMMUNITY NOTICES - TERM 2 WEEK 2

Taranaki Rugby - JUNIOR GIRLS RUGBY: I'm Braydon the Women's rugby development officer at Taranaki Rugby. I'm just getting in touch to update you all on the latest initiative we have been running for junior girls rugby, and hoping you could distribute the attached flyer and info to any girls/parents who might be interested in your school. Over the last 4 weeks we have been running a junior girls only rugby programme on Friday nights around Taranaki. These nights are open to all junior girls (under 13 and below) and are an awesome night for girls to come along and give rugby a go. We have games of Rippa and tackle rugby with teams being made up on the night so girls can come along and get involved without having to be associated with a club first. The nights have been running really well with around 80-100 girls each night having a lot of fun running around with new friends, but I'm sure there are a lot of girls who may not have heard about the nights that would really enjoy being involved! This Friday we are hosting the night in Stratford at the Page street fields. The games will be kicking off around 5.30 pm and we'll have a big group warm up with all the girls just before that starting around 5.20 pm for those who can make it. I understand you're all super busy getting term 2 up and running but it would be great to see some new faces coming along and having a blast at these nights! If you have any questions at all please let me know and I'll do my best to sort it out. Contact: Braydon Peterson, Womens Rugby Development, **Taranaki Rugby Football Union.
