Junior Basketball: For those students playing, this is every Wednesday at the TSB Hub. The draw is placed on the office window (courtside) and on the school website (under sports timetables) as soon as we get it. Please ensure you check the draw every week as teams play at different times. If your child can't make it to a game please be courteous and let the coach know, some students are just not turning up to games and this is unfair to the coach and the team. Parents support of the coach and the team at the games is vital. The practice timetable is below please remind your child when they have practice. All practices are in the school hall.
