CALVES FOR HOSPICE TARANAKI: About us: For the last 25years Hospice Taranaki has been providing specialist palliative care for patients who have a life limiting condition. Care provided by Hospice Taranaki enables patients to achieve the best possible quality of life, and provides support to their whanau/family. Care is free of charge and provided wherever people need it—at the hospice inpatient unit, at home or at an alternative comfortable environment. The patients we care for each year may have cancer or non-malignant conditions such as motor neurone disease, respiratory disease and heart disease and sometimes a combination. Why do we need to fundraise? Hospice Taranaki is only partly funded by Taranaki District Health Board, and to continue to provide a range of specialist palliative care services free of charge to patients and their families, we need to raise extra funds. We therefore look to our community—the people of Taranaki who each year make up a shortfall in funds to enable hospice patients to live every moment. With your help Hospice Taranaki can continue to provide care, compassion and support to hundreds of patients and their families, free of charge. Where your money goes... Proceeds from Calves for Hospice will be used to provide quality care to patients and support to their whanau/family. The services provided include support of the patient in the community, inpatient care, carer support, 24-hour advice, pharmacist, outpatient clinics, day programme, social work services, family support and bereavement support. How does it work? Participating farmers pledge a 4 day old calf to the sale ie Hereford or Friesian bull. Transport of the calf is at your own cost. Use your own NAIT tags Hospice Taranaki ... alternatively the value of a calf may be donated via the Hospice website. www.hospicetaranaki.org.nz/how-can-i-help-or-donate/calves-for-hospice. Contact ... Clare Poole—027 254 4884 or Loie Penwarden—027 411 3453 or Jane O'Neill— 027 291 0909 Or contact your local Stock Agent from the supporting
