

TURUTURU SCHOOL NOTICES - Term 1 2018 Week 8

Nits / head lice: If your child brings home a nit notice, this means that someone in the class has nits. Please check your child's hair thoroughly and if required treat accordingly. If you are treating for nits remember to do follow up treatments according to the instructions. If this is not done the eggs will hatch, which means the nit cycle continues. If you notice nits in your child's hair please advise the office, this is completely confidential. Being informed ensures that notices go to that classroom and hopefully stops the spread of nits throughout the class and the school.

Netball 2018: Team notices went home this week. Please ensure that the registration fee is paid promptly before the end of the term. Netball uniforms will be issued week 1 in Term 2. Uniforms will not be issued if registration fee is not paid. ***Fees are as follows: Year 1-2 \$16.00, Year 3-4 \$21.00, Year 5-6 \$30.00.***

Rippa Rugby 2018: Team notices went home with students today.

Kai Kart: ***MISSING*** one black flipper spatula from the Kai Kart. This has disappeared since the school Gala. The students used this to get hot food out of the pie warmer safely. If you have seen this anywhere or it was used at the Gala for serving food, can you please return it to the kitchen in the hall or to the school office.
