Taranaki Rugby - JUNIOR GIRLS RUGBY: Unfortunately due to the weather and field conditions we had to postpone last week's junior girls rugby in Stratford. This will now be held this Friday night at 5.30pm again in Stratford. This will be the last of these nights to cap off a really successful competition so it would be great to see you all down there. Any questions at all please let me know. Braydon Peterson, Womens Rugby Development. **Taranaki Rugby Football Union.
